Patents Granted as an Inventor

1 A system and a process for preventing electronic fuel injection (efi) dry running in a two-wheeler (Patent Number: IN560757)
Granted on 20th Feb 2025.

2 Automatic side stand retrieval system for a two-wheeler (Patent Number: IN434673)
Granted on 14th June 2023.

3 Bearing holding structure (Patent Number: IN389780)
Granted on 20th February 2022.

4 Disc for a brake disc (Patent Number: IN385565)
Granted on 7th January 2022.

5 Preload adjustment system for three-wheeled vehicle suspension (Patent Number: IN370589)
Granted on 29th June 2021.

6 Cooling apparatus mounting for fan-cooled internal combustion engine (Patent Number: IN365262)
Granted on 25th April 2021.

7 An internal combustion engine (Patent Number: IN350386)
Granted on 29th October 2020.

8 Drive system for an internal combustion engine (Patent Number: IN348100)
Granted on 2nd October 2020.

9 Motorcycle (Patent Number: IN339052)
Granted on 22nd June 2020.

10 Bearing support structure (Patent Number: IN337885)
Granted on 3rd June 2020.

11 Bearing stabilizing system for a crankshaft (Patent Number: IN333667)
Granted on 2nd March 2020.

12 Air fuel ratio control system (Patent Number: IN331978)
Granted on 14th February 2020.

13 Bearing support structure for a crankshaft (Patent Number: IN329311)
Granted on 13th January 2020.

14 Motorcycle (Patent Number: IN327754)
Granted on 19th December 2019.

15 Helmet holding assembly for motorcycles (Patent Number: IN317816)
Granted on 7th August 2019.

16 Wheel hub (Patent Number: IN311249)
Granted on 16th April 2019.

17 A disc brake arrangement for two-wheeled vehicles (Patent Number: IN308353)
Granted on 28th February 2019.

18 A disc brake system for a two-wheeler (Patent Number: IN305970)
Granted on 21st January 2019.

19 Integrated sensing device (Patent Number: IN305429)
Granted on 7th January 2019.

20 Wheel speed detecting device for a motorcycle (Patent Number: IN304677)
Granted on 19th December 2018.

21 Speed sensing device (Patent Number: IN304662)
Granted on 19th December 2018.

22 Two plate toner ring assembly for a speed-sensing device (Patent Number: IN301531)
Granted on 27th September 2018.

23 Speed sensing disc for a motorcycle (Patent Number: IN300862)
Granted on 7th September 2018.

24 Toner ring assembly for a speed-sensing device (Patent Number: IN297743)
Granted on 18th June 2018.
25 Speed detecting disc (Patent Number: IN293791)
Granted on 5th March 2018.

Sponsored Projects

Chief Minister SC/ST/EBC Udyami Yojna Assessment Project

Role: Co-Project Investigator
Budget: Rs 50 Lakhs
Duration: December 2022-June 2023
Sponsoring Agency: Govt of Bihar

Exploring the Marketing Potential and Challenges of Agricultural Geographical Indication (GI) Products in North-East India

Role: Co-Project Investigator
Budget: Rs 8.5 Lakhs
Duration: September 2024-June 2025
Sponsoring Agency: Indian Council of Social Science Research (ICSSR)

Academic Services

2022 onwards: Member of Entrepreneurship Cell , IIM, Bodh Gaya
2023-2024: Chairperson, Tender Evaluation Committee, IIM, Bodh Gaya
2022-2023: Chairperson Student Affair, IIM, Bodh Gaya

Professional Industry Experience

June 2009 - March 2012: **Member Research and Development**, ***TVS Motor Company***, Hosur, Tamil Nadu
Granted 21 Patents as an inventor; TRIZ projects; contributed to ABS and CBS technologies; supported litigation and IP training workshops; managed project IP clearances and drafted specifications.

April 2012 - April 2013: **Manager IP**, ***Tata Steel Limited***, Jamshedpur
Managed IP portfolio; developed training modules; drafted licensing agreements; and planned technology roadmap for innovation and compliance in patent prosecution.

Management Development Programs

Training Program for Entrepreneurs, Ministry of Industries, Bihar
Role: Program Director
Budget: Rs 6 Lakhs
Duration: 14th April 2022 to 2nd May 2022
Location: IIM Bodh Gaya
